

Build a Better Wall. Reward Yourself.

Earn Cash Back: \$100/MSF

Your **first** DensElement™ Barrier System job can put cash back in YOUR pocket!

- Incredible reward potential!
- Receive \$100 for EVERY 1,000 sq. ft. of sheathing installed.
- Big or small job? NO LIMIT to how much you can earn!

Become a part of the next generation of exterior wall construction. Skip installing building wrap that rips. And do away with fluid-applied membranes that spatter. The 3-in-1 DensElement™ Barrier System scientifically combines a sheathing, water-resistive barrier and air barrier in a simple two-step installation process. Simply hang the sheathing, seal joints and openings, then move on to your next job faster!

DensElement™ Barrier System first-time user reward offer valid only to the professional builder company that purchases and installs Georgia-Pacific's DensElement™ Sheathing in a residential or commercial structure. Only one incentive reward per residential or commercial structure. Offer is valid only for first-time users of Georgia-Pacific DensElement™ Barrier System and cannot be combined with any other Georgia-Pacific promotion. This offer expires December 31, 2017 and no redemption will be honored unless this form, with a copy of your original dealer invoice is postmarked or emailed no later than January 31, 2018. Georgia-Pacific reserves the right to cancel, modify, rescind, or extend this offer at any time without notice. Georgia-Pacific is not responsible for lost, late, misdirected, incomplete, incorrect, illegible or postage-due reward requests or supporting information. No incomplete reward forms will be accepted. Georgia-Pacific reserves the right to verify dealer invoices and addresses of where product was installed. Offer void where prohibited, taxed or restricted by law. Reward checks will be issued within four to six weeks from receipt of complete reward submission.

Anti-Kickback Act

Contractor must comply with all applicable laws relating to this program and any rebates paid hereunder. Contractor represents that any purchases presented for rebates under this program have complied with the terms and requirements of any applicable government prime contract or subcontract. Without limiting the foregoing, Contractor must comply with the Anti-Kickback Act, 41 U.S.C. 51-58, any other applicable anti-kickback or similar laws with respect to any project, including disclosing any incentive rebates payable for the project to the government contracting officer if required, ensuring that it does not improperly purchase the product or improperly provide favorable treatment, and ensuring that such rebates are passed on to the government if required. No rebates shall be payable with respect to any government project or government-funded project if the payment of such rebates would be improper or unlawful.
