- **Developer: Landmark Properties**

DensDeck[®]

Roof Board

Landmark Properties enlisted JR & Co as the roofing contractor for this expansive 1,300-square-foot development.

The complex boasts impressive amenities, including rooftop decks, an outdoor pool with a pool deck, club rooms, and lounges.

To ensure durability and protection against anticipated roof traffic, 1/4-inch DensDeck[®] Prime Roof Board was incorporated into the roofing assembly.
